Office Policy

In order to serve you better, please be aware of the following office policies:

It is mandatory to have a copy of your driver's license or other government-issued identification and any insurance cards. Please present them when you check in at your first visit, we will copy the cards and return them to you.

All fees, insurance deductibles, and/or insurance co-payments are due at the time of service unless prior arrangements have been made with the office management.

We offer to bill your insurance carrier for you as long as we have complete billing information and your signature on file. Therefore, your signature below acknowledges the following:

- you assign directly to Arrowhead Lakes Dentistry, PC all insurance benefits otherwise payable to you,
- you understand that you are responsible for payment of services rendered,
- you understand that you are responsible for paying any co-payment and deductible that your insurance does not cover,
- you authorize Arrowhead Lakes Dentistry, PC to release all information necessary to secure the payment of benefits, and
- you authorize the use of this signature on all your insurance submissions, whether manual or electronic.

It is important to know that regardless of your insurance coverage, all fees are ultimately your responsibility. We attempt to provide for you accurate estimates of insurance benefits: however, you are responsible for all treatment fees regardless the accuracy of our estimates or the estimates of the insurance company.

Any unpaid balances over 90 days old will incur a finance charge of 1.50% per month. A $25.00 fee is charged for all returned checks. Any collection and/or legal fees will be your responsibility. Costs of collection include, without limitation, all fees charged by a collection agency as well as attorney's fees, small claims court costs, and any other expenses incurred in an effort to collect the account. When appropriate, credit bureau reports may be obtained.

Please notify us if a full set of dental xrays or a panoramic xray have been taken within the last 3 years. Most insurance companies will not pay for another set within a 3 to 5 year period. Since your authorization would be necessary, it is your responsibility to obtain readable xrays from previous dental offices. Our office does not use the amalgam (silver) fillings. We provide the composite resin, tooth-colored fillings. Some insurance companies will only allow a percentage payment towards the silver.

We will try to reach you the day before your appointment to confirm the appointment. However, the confirmation is a courtesy and you are responsible to keep your appointment whether or not you were contacted. Please cancel any appointment 24 hours prior to the appointment. There is a $30.00 per hour charge for all missed dental appointments without 24 hours notice of cancellation.
